On March 25th, 19 youth and 4 sponsors left for Interscholastics Day at Chadron, Nebr. Dorms were made available to all and everyone had free time before the 11:00 curfew. Several of the youth went to a play presented by the college students entitled "Rashamon." However, the boys spent their time bowling at a nearby alley. The next day the strictly enforced curfew seemed to have been worth the while when we came home Friday night with 3 especially high honors and others representing the school well.

S. Steffen--District 7 Historian

S. Thompson--Betty Crocker Homemaking Award

Prior to the beginning of School, the FHA girls sponsored a picnic at the Chalk Hills for the incoming freshmen. The Freshmen girls joining the Chapter include: Tanya Bresley, Peggy Coufal, Vicki Palu, Kay Roy, Susan Schudel, Linda Gillham and Janice Waller.

To help celebrate the annual Popcorn Days of North Loup, the FHA and the FFA jointly prepared a float with the theme "This is our Land--Do Something About It!" The float earned first prize in our division.

In October, the Chapter attended the annual District Convention at Kearney. At this meeting, Susan Steffen was installed as the District Historian. During the convention, a panel of five discussed the problems of teenagers. As each Chapter had a certain duty to do at the convention, ours was preparing 350 nut cups for the Banquet. It seemed to be an endless task.

To help the crippled children, the Chapter girls collected for the March of Dimes. By canvassing the town, each group was able to contact the citizens for contributions. We were very grateful to all those who assisted and contributed to this project.

Later in the year, the girls attended the State FHA Convention in Lincoln for two days. Attending this convention were the new elected officers for next year. The Chapter is very grateful to Mrs. Vlach, who also helped to provide the transportation to the convention.

STATE FARMER:

The Future Farmers of America, or "FFA" is a national organization of, by and for students studying vocational agriculture in public secondary schools.

The FFA is an intra-curricular activity having its origin in a definite part of the school curriculum-vocational agriculture. Among other things, members learn through active participation how to conduct and take part in meetings; to speak in public; to solve their own problems; and to assume responsibility.

The North Loup-Scotia FFA Chapter had another successful year. Our soil team won first place at the district contest at Battle Creek, Nebraska. In October this team competed in the State Soils contest at North Platte, Nebraska. The team won this contest with Allen DeNoyer scoring first as an individual. This team will represent Nebraska at the National Contest in Oklahoma City. The team members are Craig Hughes, Roger Keep, David Orthman and Allen DeNoyer.

Roger Keep was selected by the State Committee to be raised to the Degree of State Farmer. This event took place early in April of 1971. This makes a total of 24 boys from the NLS Chapter to receive this award.

David Orthman competed in the State Farm Management contest and placed first as an individual. The team received a blue ribbon. Other blue ribbon winning teams at state contests were the Dairy Cattle Selection team, Poultry Husbandry team and the Agronomy team.

Advisor Rolland Essman took the NLS Soil Judging Team, representing the State of Nebraska, to Oklahoma for the National Soil Judging contest and came home with a regional Championship and a third place finish in the National competition!

The team, composed of Allen DeNoyer, Roger Keep, David Orthman, and Craig Hughes, represented their state and school in true Wildcat form. Led by senior Allen DeNoyer's third place finish in the individual competition and great work by the other members of the group, the team reached a pinnacle seldom reached by many teams in FFA competition. Mr. Essman and the team are to be congratulated for their hard work and fine showing!

Wildcat Stats

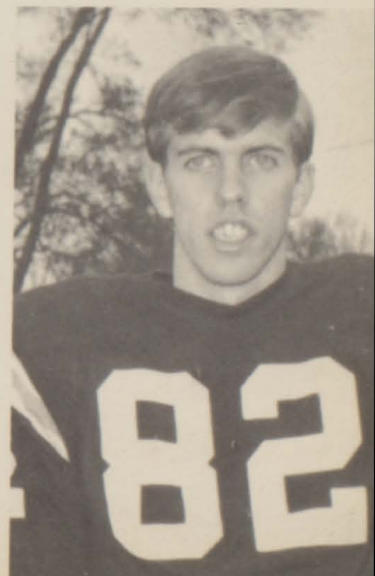

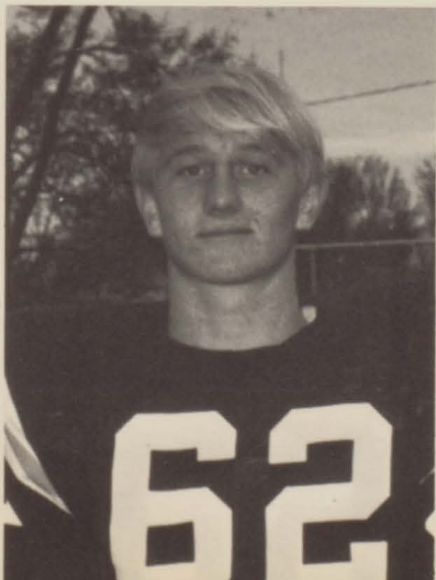

Guided by experienced leadership, the '70 Wildcat football team acquired a new and lasting spirit which ushered them through one of their most impressive seasons in the history of NLS. During the regular season play, their only defeat came at the hands of Class-C top rated team, Osceola. The Wildcats earned the LHTC Eastern Division title and went on to win the LHTC Conference title in a playoff with Arnold. The end of the season brought an end to the high school careers of many experienced seniors. However, NLS fans are confident that the underclassmen, who show much potential, will uphold Wildcat tradition in '71.

The 1970-71 track season came to a close at Kearney State College on May 22 with 4 North Loup-Scotia thin clads participating in the Annual State Track Meet! Junior Craig Wegner placed 4th in the Hop-Skip and Jump. Others qualifying were Senior, Jim Albrecht-two mile run, Junior Garry Wells in the 880 yard run, and Freshman, Ron Albrecht in the mile run. The cats enjoyed a good year in track, placing 2nd in the Conference and also in the District Meet at Wood River! There were many good performances by underclassmans this year with several new records being set; however the main balance of the team again came from the Seniors. They most certainly will be missed next year even though Coach Staehr is looking forward to another banner year!
