

The background is a dynamic, swirling digital storm. It features a central vortex with a bright white and yellow core, surrounded by concentric rings of glowing blue and purple light. The entire scene is filled with a dense pattern of binary code (0s and 1s) in various shades of blue and green, creating a sense of rapid data flow and digital turbulence.

Blessed is the peacemaker. She shall be called a child of God. Mt. 5:9

Dearest Jackie,

God sent you to be our peacemaker. Always first to compromise. Always considerate of others. We cherish the gift that you are. What an honor it has been to shelter you, to watch you grow. Now it is time to let you go, to share your peace with the wider world. Spread your wings, Jack, you are ready to fly to your dreams.

Love, Mom & Dad

How can we express how very proud we are of you. We are proud of not just your accomplishments, but of the young woman you have become. You have strong work and moral ethics-you are not afraid to express your opinions and stand by your beliefs. You are also compassionate and kind. You will have many trials ahead of you, but remember where your roots are and you can overcome any hardships or cruelties you may face. Your entire family will always be here to support you. We love you very much and look forward to your future.

All our love,
Mom and Dad

BE GRATEFUL TO BE A PART OF CREATION. BORN HEALTHY AND FREE...

MAKE EVERY DAY COUNT FROM THE MOMENT YOU WAKE; ADD SOMETHING TO LIFE FOR EACH BLESSING YOU TAKE...

DON'T COUNT ON THE FUTURE OR CLING TO THE PAST- LIVE WELL FOR THE PRESENT, BUT HOLD YOUR DREAMS FAST...

DON'T MOURN TODAY'S TROUBLE OR WHAT LIES IN STORE JUST THANK GOD FOR THIS MOMENT- WE OWN NOTHING MORE....

WE HOPE YOUR COURAGE AND DETERMINATION, SMILE AND CHARACTER WILL BRING YOU SUCCESS AND HAPPINESS ALWAYS.

LOVE FOREVER!

Such a little girl when you arrived six weeks early--I guess in a hurry.

You never slowed down! Soon it was time for our little girl to head to your first day of school.

Watching you pass from kindergarten through 12th grade, time is going fast--Gymnastics and back. Soon Jr. High where new adventures began.

Then there was high school--where did the time go? We are so very proud of everything you accomplished and the joy of watching our little girl in Basketball, Volleyball, Drill Team and so much more.

So now--no more ponytails or doing cartwheels across the living room floor. Instead a woman going across the stage in a teal cap and gown with diploma in hand.

We will hug and say "I love you" and you will be ready to greet the world. For a short while we held your hand, but always remember we will hold your heart forever.

As the tassel is turned, a new past you'll make. May God always guide each step you take.

Love,

Dad & Mom

Wow! Eighteen and grown!
Where has time gone?

From our first baby boy to a handsome young man. The rest of your life is just beginning. We have faith and trust that you will make the right choices in life, and we will always support you every step of the way. Always know that we love you and will be there for you. Home is only a phone call away, and our door is always open for you.

Love you lots,
Mom & Dad

Wow! How the class of 2007 has grown up! I'm sure that everyone would agree, however, that they have A LOT more to do before they walk down the aisle to graduate! It seems as if many of them are getting senioritis already, but then again people think that about the juniors every year.

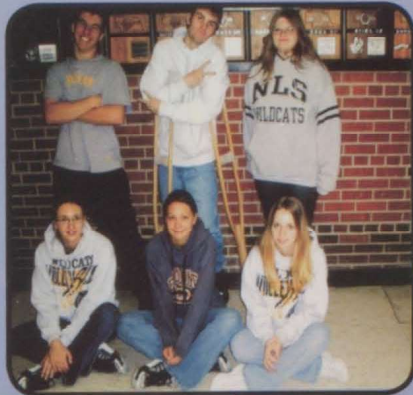

Everyone in the class has contributed a lot to NLS! Many of the juniors are involved in Football, Volleyball, Basketball, Track, FFA, FCCLA, NLSYLG, Chorus and Band. They will learn a lot next year--from decorating for prom to being some of the leaders in the school.

The class of 2007 will soon be ready to walk down the aisle as young adults. Good luck!

The class of 2008 only has two years left. It is so hard to believe that they're over half-way to graduation. The sophomores have always been known as the "most talkative class." Just ask anyone of the teachers-they will tell you! They are also known as a class that is one of the most involved in school. Whatever sport or other activity you watch, there is one of the sophomores there to participate! So we predict a great future for this exciting group of kids.

The Eighth Grade Class is fairly big this year. They are full of potential and talent. The 8th graders had a lot of girls participate in volleyball, basketball, and track. Also, some of the guys participated in the same sports! Those who played on the basketball team contributed to a great season! The "top dogs" in junior high will soon be the babies of high school as they approach their freshman year. They are a fun class to be around, full of class clowns and yet they have some kids who are good with the books! Good luck in high school next year and all the years to follow!

The seventh grade had a very exciting year! They began in a new school building, and by the end of the year seemed right at home. Three minutes was not nearly enough time between classes, but eventually most of them had the lockers mastered. Next year they will be the top dogs of the Jr. High. They are wonderful examples to those younger than them and are a class full of spunk, talent and potential.

Journalism

This year journalism had its obstacles. They had to adjust to a whole new program which didn't arrive until the middle of September. They also had many troubles with the computers. In the end, with everyone working together as a group, they all prevailed to assemble this yearbook for you.

The North Loup Scottie Student Council was busy all year. To start the year off, they planned Homecoming. They then decorated the float and decided on dress-up days. Student Council then put on the second annual Fall Ball, the only semi-formal of the year. The group did two concession stands this year, one during football and one during basketball. PEAK

Putting Together The Pieces!!

Ryan Hassbrook speaking at the Banquet.

This year the North Loup Scotia FFA chapter literally put together all the pieces. Having a young chapter, we had to work hard to accomplish our goals. We learned a lot in the process. Some of the group attended the PEAK Leadership Conference and COLT Conference. The other pieces of our year included the Barbeque and Labor Auction, Roadside Cleanup, Leadership Lab, MFE, Fruit sales, and much much more. It all fit together to make a great experience this year.

The band had Ms. Flesch again as their teacher. Adjusting to her routine again was hard at first, but they eventually got used to it. The band marched at Homecoming and Popcorn Days this past year. They also marched at Harvest of Harmony and State Fair. The students in band this year were able to go on the Band Trip to Denver, Colorado. They visited the Denver Zoo, The Hard Rock Cafe, and Six Flags. At the contest in Denver, the Band received first place! The Band received a two at Conference Music contest and received a one at Districts. They were only a couple of points from being Best Band at Districts. They achieved a lot this year and are ready for next year!

This year we left on Friday, May 12th at 4:30am. The school chartered a bus with eight TVs and a DVD player. Upon arriving in Denver, we visited the Zoo and then went to The Hard Rock Cafe for dinner. We spent the night at Embassy Suites and spent the evening at the hotel swimming pool. The next morning we went to Drake Middle school to perform. We did very well and placed 4th in the competition. After performing, we went to Six Flags and spent the day riding rides and shopping. The chorus had a great year and we are very proud of you!!!

The North Loup-Scotia Youth Leadership Group has had a busy year, trying out many new ideas. They went to the Elementary for Red Ribbon Rally, teaching the kids about drugs and their consequences! The group attended Youth Congress in Kearney figuring out their plans for the year. Many of them ended up turning out. They also did their annual Spaghetti Supper, which was a hit. The community is always so supportive. As the year came to an end, they began planning for Fun Day. There was a little bit of a scare with the weather, but it all turned out in the end! Jackie Hansen, the president, did a lot this year to make all this possible! The group is looking forward to next year!

SPEECH

2005-2006

The 2005-2006 Speech team was much improved, finaling and placing at numerous Speech meets. With two new sponsors, Mrs. Craft and Mrs. Alexander, everyone learned a great deal. After waking up super early and stressing over our speeches, the bus ride wasn't exactly quiet. We met lots of new people and got new ideas from watching others speak.

The speech team appreciates anyone who helped them prepare for meets and parents who provided food. We are looking forward to next year.

The high school team had a great year! With many returning members, the group worked well together and did very well. Jackie Hansen has been on quiz bowl for four years so she brings quite a bit of experience to the group. Katrina Goodrich, Chasatti Krzycki, Jessica Krzycki, and Elizabeth Lassen have all been on the team for three years. Kristi Linke, and Mercedes Roy have both been on the quiz bowl team for two years. The group did very well this year and had a lot of fun.

JUNIOR HIGH TEAM

The junior high quiz bowl team had an awesome year! At their first contest, at UNK, the team did very well. When the team went to the Goldenrod Conference competition at Nebraska Christian, the Junior High team went undefeated and won Conference. It was the first time the North Loup-Scotia Junior High Quiz Bowl team has won Conference in over ten years. Something Mrs. Johnson will always remember is that Derek Essman answered the last question correctly to seal the championship match.

The NL-S One-Act had an outstanding season. With a new director and a serious play, the team was taking on a huge responsibility. Everyone had to work very hard since the cast was so large. They truly learned this year that there are no small roles, only small actors because many members had only a few, if any lines. The season started out slow, with the cast getting 5th at the Loup City Invitational; by Conference One-Act, however, the cast was fully ready and got second on their home stage! Districts were November 2, and the group once again came up just short of the big time, getting second and not quite enough to qualify for state competition.

In the final scene Jane (Anna) is ready to leave her past behind her.

The maids (Dana and Kayla) struggling to keep Jane (Mercedes) under control.
